The high school mathematics department is in the process of transitioning to the **TI Nspire CX II CAS** graphing calculator to provide consistency in all courses grades 9-12. The school will continue to lend out graphing calculators to students with a signed contract. Although it is not required, any parent/guardian that wishes to purchase their student their own graphing calculator, please purchase the **TI Nspire CX II CAS** (Model # NSCXCASII/TBL) only. This calculator is available to *order* at Staples and Amazon. Feel free to reach out to a math teacher if you have questions.
