

Pesticide Notification

In accordance with the Education Law 409H, the District is providing this notification of pesticide use. The following treatments have been used in various District facilities:

Bio Pesticide

Ecoarx

Advon

Talstar-1

Cykick

Escopeol-acu

Maxforce roach gel

The District is committed to a program of integrated pest management using minimal or no pesticides. For further information about this program, call Jamie Giroux, Director of Facilities II, at 565-5621.
