

Dear Morrisonville Elementary Families,

Starting in November, Morrisonville kitchen and cafeteria will be serving peanut butter. After many years of being a nut-free facility, we are making the change back. There were many factors that were vital in this decision. Mrs. Moore, Mrs. Goddeau, Mrs. Paine, and I all met to discuss what practices would be needed to transition the cafeteria along with potential concerns. As with our other buildings, health and safety practices are in place to prevent cross contamination. Furthermore, ingredient labels are read thoroughly and are available for viewing using the Titan Family Portal.

This will not change the rules within the student's classroom. This is only taking effect in the cafeteria and kitchen.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Isaac Dirolf

School Food Services Director
